Depending on the time of year, housing may or may not be available. Volunteers must work a minimum of 30 hours per week to qualify for housing. Housing is generally not available between April and October. From November through March shared housing may be available. Housing in the local community may be available but difficult to find due to the limited number of rentals. Campground spaces are available for campground hosts only. Housing for families is not available. Below please specify your housing requirements:

           I live nearby and do not require housing
